Character & Life Skills DVD Series – Middle School

Connect with Kids

\$549.95 per series
Special: Purchase all three for \$1449.95

Connect with Kids Character Collection is a research-based, peer-to-peer program that profiles real children telling their own stories. The multimedia approach engages students and helps teachers improve school climate and reach character education goals they have for their students.

The Middle School Character Collection is available in three sets – get all three for continuous implementation at each grade level in your school without repetition of content. Each series (1, 2 or 3) includes:

- 26 Nationally recognized character words.
- Eight DVDs with three topics per DVD featuring real kids talking about real issues.
- Age-Appropriate Curriculum Guide with lesson plans, activities, vocabulary, & more.
- Standards Correlations for Language Arts, Social Studies, and Health.
